

Dear Parents and Carers,

It has been another busy week here at Christopher Reeves. The children have been working hard in every classroom and I know Oak class enjoyed their visit to Sharnbrook for a multisport festival on Tuesday. Every one of the children were ambassadors for our school and worked incredibly hard to achieve their best in the activities in which they took part. Well done Oak class.

Unfortunately, we have had a report from one of our neighbours this week about children walking to the garden centre to meet parents. They were very concerned about how silly and potentially dangerous some of them were being, pushing each other into the road. If your child is walking to the garden centre, please remind them to be careful near the roads and to proceed with caution. We do not want any accidents.

We hope you all have a wonderful weekend.

Christopher Reeves Values

This half term our value is Service.

"Serve one another in love."

Galatians 5:13

This half term we will learn about using our talents to serve, receiving as well as giving, giving with no strings attached and looking at the heart. The children will learn about how these are reflected in the Bible through our Collective Worship programme.

Who can I contact?

If you have any queries about your child and their education, please contact your child's class teacher in the first instance. They will be available at the classroom door each day at the start and end of school.

If you need to speak with a member of staff about SEND, behaviour or safeguarding, please contact the following members of staff:

SEND – Mrs Glennie-Wood (Juniper Class)

TT Rockstars

Please encourage your child to regularly practise their times tables using TT Rockstars. Every child from Year 2 upwards has a log in. If you are experiencing difficulty accessing the site, please speak with your child's class teacher.

Times tables are used in every aspect of maths and being fluent in the use of them is very important.
